

# Mas Borràs

VINTAGE: 2013

TYPE OF WINE: Red wine

DO: Penedès

GRAPE VARIETY: Pinot Noir

## WINEMAKING

Number of days of skin contact: 2 weeks

Type of fermentation: In stainless steel under controlled temperature

Number of days of fermentation: 2 weeks

Fermentation temperature: 26-28°C

Ageing: 9 months in French Nevers oak (30% new)

Bottling month: May of the 2015

## TECHNICAL DATA

Alcohol level: 13.5% vol.

pH: 3.62

Total acidity: 4.7 g/L (tartaric a.)

Residual sugar: 0.5 g/L

Allergy advice: Contains sulfites

Stored under the right conditions, the wine will hold its potential for the next: 4-8 years

## AVAILABLE FORMATS

75 cl

## TASTING NOTES

Bright garnet color. Exciting fruit aroma (cherries in liqueur) against a backdrop of dried fruit (dried plums) and toasty notes (coffee). Fragrant, delicate tannins express the elegance of the Pinot Noir variety.

## SERVING SUGGESTIONS

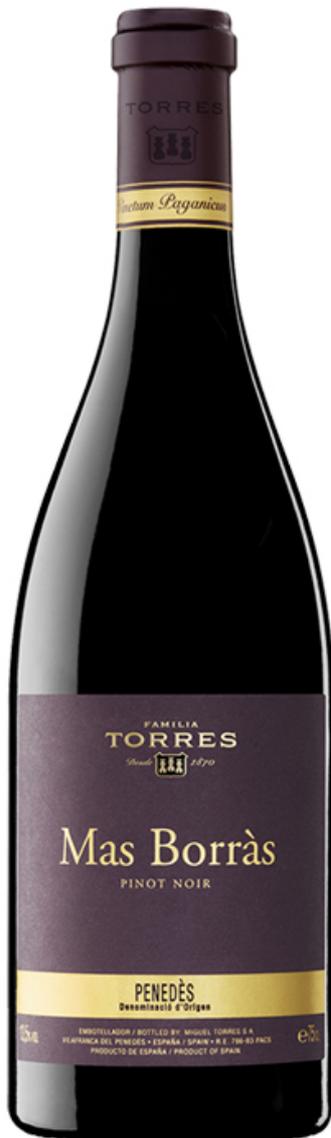

An excellent accompaniment for roast meats, cooked hams and creamy cheeses. Serve at 16-18°C.

## STORY

This icon wine is a Pinot Noir grown in the Upper Penedès (Santa María de Miralles) at 520 meters above sea level, where cool summer nights allow for the balanced ripening of these delicate grapes. Mas Borràs is one of the few Pinot Noirs currently produced in Spain.

## AWARDS

---

## ESTATE OF ORIGIN

Mas Borràs

### Soil

Deep calcareous clay soils with interspersed layers of gypsum, moderately well drained with a high water holding capacity. Developed over sedimentary material from the Eocene. Thanks to the cool soils and the continental tendency of the climate, these vineyards provide the best conditions for Pinot Noir in the Penedès region. This is why Jacques Bergeret, a Burgundian expert in cultivating Pinot Noir, chose these soils in 1985–1986.

### Weather conditions

Generally speaking, the year 2013 was rainy with normal temperatures, but saw a dry and cool ripening period.

### Precipitation

Annual average (historical): 536 mm

Annual total (current vintage): 774 mm

### Temperature

Annual average (historical): 13.4°C

Annual average (current vintage): 13°C
