## chardonnay 2016

White peach, apple blossom and almond meal aromas, complemented with hints of toast, vanilla and shortbread. Full flavoured yet finely structured, the Chardonnay offers a unique expression of our vineyard. Layers of flavour are developed from the finest of clones, natural fermentation and minimal handling of the wine. A finish that is polished and befitting of the man himself, best enjoyed with the finest of crustaceans, the yabbie, or if you can't find one, try lobster bisque.

Harvested February & March 2016

Region South Australia

Total acid 5.2 g/L

Alc/vol 13%

pH 3.33

Real place. Real people. Real wine.
