## **CHIANTI 2018 CHIANTI DOCG**

Chianti designed by Ricasoli for all those seeking a great quality vintage

### **PRODUCTION AREA**

Chianti

### **GROWING SEASON**

Overall, we can state that 2018 was a complex harvest due to the climate trends, which tended to be more humid than average in the past, but with excellent summer temperatures and a very dry period in the months of September and October. Thanks to good underground water supplies, the plants never suffered water stress and ripened regularly.

The quality of the grapes was of a very high standard, which leads us to hope for a high quality wine.

### **TASTING NOTES**

Bright ruby red color. Pleasant nose of red fruit with balsamic hints. The entry is fresh, soft and round. Harmonious finish with a pleasant good persistence to the end.

### **GRAPE VARIETY**

Sangiovese 85% and complementary grapes

### **AGEING**

In stainless steel.
