CABERNET SAUVIGNON LIVERMORE VALLEY

2019

ESTATE  GROWN

VINEYARD

Our Estate Grown Southern Hills Cabernet Sauvignon is named for our vineyards located along the southern hills of the Livermore Valley. The Wente family farms approximately 400 acres of Cabernet Sauvignon vineyards using the two clones originating from California wine pioneer Charles Wetmore's Bordeaux cuttings in the 19th century. With Livermore Valley's unique East-West orientation, well-drained rocky soils, and unique mesoclimates, the Southern Hills vineyards are located in the most desirable settings with exposures ideal for growing Cabernet Sauvignon of distinct character, depth and intensity.

WINEMAKING

FERMENTATION

The varietals were fermented separately in upright stainless steel fermenters and pumped over twice daily.

AGING

Aged for 12 months in a combination of French, American and neutral oak barrels as well as stainless steel tanks to add fruit vibrancy.

FOOD PAIRINGS

Grilled vegetables, cheese board and a club sandwich.

TASTING NOTES

Our 2019 Southern Hills Cabernet Sauvignon welcomes you with aromatics of dark fruits such as plum and cherry. The dark fruit characteristics carry onto the palate, delivering flavors of boysenberry and fig with a hint of warm baking spices. This wine finishes with round, smooth tannins.

VARIETAL COMPOSITION

77% Cabernet Sauvignon

10% Petite Sirah

5% Petit Verdot

4% Cabernet Franc

2% Malbec

2% Zinfandel
