Winemaker Comments

Grapes were picked in the cool of the night, gently crushed into tank and given 12 hours skin maceration prior to draining and pressing. Wild yeasts then initiated and completed fermentation. Once complete, the wine was left on its lees and given regular bâtonnage to build complexity until blending.

Tasting Notes

Very pale straw in colour with a green hue. This Sauvignon Blanc displays lively aromas of freshly cut grass, grapefruit, Granny Smith apples and white blossom. There are nuances of fresh herbs and candied lemon rind with a touch of flint from the wild ferment. The palate is vibrant and bursting with life and zest. Flavours of lemon drop and passion fruit butter abound, with zesty acidity, making this an easy drinking and enjoyable wine that shows all the hallmarks of fruit driven Australian Sauvignon Blanc; line and length with generosity of flavour.

Enjoy with a citrus dressed BBQ calamari salad or crispy lemon tofu.
